## Management's Responsibility

---

To the Members of Animikii-Ozoon Inc.:

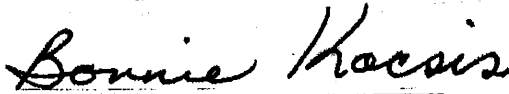

Management is responsible for the preparation and fair presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian accounting standards for not-for-profit organizations and ensuring that all information in the annual report is consistent with the financial statements. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Board of Directors is composed primarily of Directors who are neither management nor employees of the Organization. The Board is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial information included in the annual report. The Board fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Board is also responsible for recommending the appointment of the Organization's external auditors.

MNP LLP is appointed by the Members to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Board and management to discuss their audit findings.

## Independent Auditors' Report

---

To the Members of Animikii-Ozozon Inc.:

We have audited the accompanying financial statements of Animikii-Ozozon Inc., which comprise the statements of financial position as at March 31, 2016 and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditors' Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the financial statements present fairly, in all material respects, the financial position of Animikii-Ozozon Inc. as at March 31, 2016 and the results of its operations, changes in net assets and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

*The accompanying notes are an integral part of these financial statements*

**1. Incorporation and nature of the organization**

Animikii-Ozoson Inc. (the "Organization") was incorporated in the Province of Manitoba as a corporation without share capital on February 3, 2005, and began active operations in October 2005.

The Organization operates to provide child and family services under the Southern First Nations Network of Care ("Southern Authority").

The Organization is registered as a not-for-profit organization under the Income Tax Act (the "Act") and as such is exempt from income taxes. In order to maintain its status as a not-for-profit organization under the Act, the Organization must meet certain requirements within the Act. In the opinion of management, these requirements have been met.

**2. Significant accounting policies**

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations and includes the following significant accounting policies:

***Cash and cash equivalents***

Cash and cash equivalents include balances with banks and short-term investments with initial maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

***Revenue recognition***

The Organization follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

***Capital assets***

Capital assets are recorded at cost. Amortization is provided using methods and rates intended to amortize the cost of assets over their estimated useful lives.

	<b><i>Method</i></b>	<b><i>Rate</i></b>
Computer equipment	declining balance	45%
Computer software	declining balance	100%
Equipment	declining balance	20%
Leasehold improvements	straight line	term of lease

***Long-lived assets***

Long-lived assets consists of capital assets with finite useful lives. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The Organization performs impairment testing on long-lived assets held for use whenever events or changes in circumstances indicate that the carrying value of an asset, or group of assets, may not be recoverable. Impairment losses are recognized when undiscounted future cash flows from its use and disposal are less than the assets' value. Any impairment is included in operations for the year.

***Short term investments***

Marketable securities with prices quoted in an active market are measured at fair value while those that are not quoted in an active market are measured at cost less impairment. Changes in fair value are recorded immediately in operations in the year in which they become known.

**2. Significant accounting policies** (Continued from previous page)

**Measurement uncertainty**

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectibility and an appropriate allowance for doubtful accounts is provided where considered necessary. Amortization is based on the estimated useful lives of capital assets. These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in operations in the year in which they become known.

**Financial instruments**

The Organization recognizes its financial instruments when the Organization becomes party to the contractual provisions of the financial instrument. All financial instruments are initially recorded at their fair value.

At initial recognition, the Organization may irrevocably elect to subsequently measure any financial instrument at fair value. The Organization has not made such an election during the year.

The Organization subsequently measures investments in equity instruments quoted in an active market at fair market value. Fair value is determined by published prices. Investments in equity instruments not quoted in an active market are subsequently measured at cost less impairment. With the exception of those instruments designated at fair value, all other financial assets and liabilities are subsequently measured at amortized cost.

	<b>2,541,093</b>	2,199,517

**8. Payable to the Province of Manitoba**

During the fiscal year ending March 31, 2007, the Organization began receiving Children's Support Allowance funding from the Province of Manitoba on an annual basis. This funding was deemed repayable by the Province of Manitoba. The Organization began making payments in 2013 and the payments increase with an increase in funding. The increase in payments is calculated as 20% of the difference between the old funding and the new funding agreement. Total payments during the year amounted to \$623,392 (2015 - \$600,786). Payments are made quarterly as a withholding on the Organization's funding payments from the Southern Authority.

**9. Working capital advance**

The working capital advance is payable to Southern First Nations Network of Care. The working capital advance is non-interest bearing and has no specified terms of repayment.

**10. Commitments**

The Organization has entered into various lease agreements. Below is estimated minimum annual payments over the next five years:

2017	365,089
2018	366,755
2019	366,755
2020	366,755
2021	366,755
	1,832,109

**11. Economic dependence**

The Organization's primary source of funding is from the Province of Manitoba. The secondary source of funding is from the Southern First Nations Network of Care. The Organization's ability to continue viable operations is dependent on this funding.

**12. Financial instruments**

The Organization, as part of its operations, carries a number of financial instruments. It is management's opinion that the Organization is not exposed to significant interest, currency, credit, liquidity or other price risks arising from these financial instruments except as otherwise disclosed.

**13. Pension plan**

The Organization is subject to a defined contribution pension plan. Employees contribute 3-5% of their annual salary, which is matched by the Organization. Contributions to the Plan made during the year by the Organization on behalf of its employees amounted to \$116,181 (2015 - \$110,353) included in the statement of operations.

**14. Comparative figures**

Certain comparative figures have been reclassified to conform with current year presentation.

Maintenance is no longer presented net of revenues and expenses and groupings of expenses and revenues have changed to reflect funding categories. Revenues received are now grouped based on Southern First Nations Network of Care, Province of Manitoba, Childrens' Special Allowance, and Other. Expenses incurred are now grouped as Core Operations, Protection, Prevention, Province of Manitoba, Childrens' Special Allowance, and External Agency Maintenance.
