

Greetings to Kinship and Foster Parents

FOSTER PARENT APPRECIATION WEEK OCTOBER 17- 24, 2021

On behalf of the Board of Directors, staff, and myself, I'm honored to take this opportunity to express appreciation and recognition to all our agency Alternative caregivers for your commitment and dedication of care and support you give to our children and youth in care and with their families and First Nation communities.

The support and love you give to the children and youth who need both temporary and permanent caregivers and homes is truly the backbone of the work we must occasionally deliver in the community. Without your commitment, the challenges faced by children, youth and families would be extreme.

Thank you for all you do and for working in partnership with Animikii Ozoson Child and Family Services Agency, we value your dedication and active role in being part of the child's "circle of care"

Meegwetch,

**Trudy L. Lavallee
Executive Director**
